God's Special Surprise: At first God's people were free to work and play. Years later they were slaves. But they were still God's people. In His time, God sent a special surprise. Families will thrill to the love and faith of a mother desperate to save her baby boy from death. Children and adults will admire the bravery of a sister who dared to speak to a powerful princess. The drama in this story of Moses will help build the faith of children, and encourage obedience to the Word of God.

Gift of Love: They were poor. They were exhausted from the long journey. Faith and obedience kept them going. Join Mary and Joseph in this dramatic retelling of the wondrous story that led to the fulfillment of Scripture in the birth of Jesus, Son of God, Savior of the world. See and hear the rejoicing of the glittering army of angels.

Shipwrecked: Giovanni accompanies his father on an unforgettable journey of fear and hope. The storm at sea is unrelenting. The ship is being torn apart. All seems lost, and yet... one prisoner, a courageous hero, knows God, and that changes everything. As children experience this dramatic story of the Apostle Paul through the eyes of Giovanni, their faith in the power and mercy of God will be strengthened.

God's Runaway: God told his prophet Jonah to go to Nineveh, but Jonah was determined to disobey. The shocking consequence got Jonah's attention! This exciting story is artfully brought to life, and demonstrates God's love and mercy to Jonah, to the people of Nineveh, and to each one of us.
